Clarification of November 20, Minutes:

William Fisk, President of FLAUA Board, pointed out there was no vote on a first and seconded motion placing Linda Forwerck on FLAUA as an alternate board member. Fisk was concerned that it may make Linda's' FLAUA member's motions and votes null. By MTA guidance the minutes were accepted as stated after the December meeting when the November minutes were unanimously accepted. Therefore the minutes were approved as written with final action of board approving the appointment.

Ogur stated that to avoid any confusion we should repeat the action of appointing Forwerck as an alternate. Ogur made a motion to appoint Forwerck as an Alternate Member of the FLAUA Board retroactive to November 20, 2014. Sorrow seconded.
