TOWNSHIP NEWS

OPEN HOUSE OCTOBER 4, 2025

The Fife Lake Township Board is inviting you to an open house to review the Master Plan, provide input, and give guidance to the township board on setting priorities and goals. We want to know what our citizens feel should be prioritized. Please join us on **Saturday, October 4, 2025** to give us your ideas. We will have a brief opening presentation at 10am, but we welcome anyone to drop in from **10am-2pm** to look at the ideas contained in the Master Plan, and give suggestions, corrections and feedback on the proposed plan, and help create strategic priorities for the township board.

If you cannot attend in person, we welcome you to complete a survey online to provide feedback. Please use the link or QR code before the survey closes on October 31, 2025 at 11:59pm. We will also have a **public hearing on October 30, 2025 at 6pm** to hear input one more time before the Master Plan is adopted.

Why is this important? The Master Plan is the guiding document to base the zoning ordinance on and required by several state public acts. Once the plan is in place, the zoning ordinance will be re-written based on this approved plan and goals. The Master Plan stays in place for 20 years, but gets reviewed every 5 years for updates. If you are a person who wants to see more or less of some type of development in our community, this is an important opportunity to weigh in. If you are concerned about having certain types of land use next to others, this is your chance to tell us what you think.

This Master Plan is a joint plan with the Village. The Village will be holding a public hearing at some point in the next few months to gather more input (the planning commission already held their public hearing). Please use this opportunity to give input. The Master Plan Document can be found here: <https://fifelaketwp.com/master-plan/>

Fife Lake Township Community
Survey 2025

NOVEMBER ELECTION

Don't forget to vote on **November 4, 2025** at the township hall. The following millages end in 2025 so an election was scheduled for 2025 to give the community their opportunity to determine the township services:

Fire Operating
Police Protection

Fire Equipment
Township Operations

Ambulance

MORE

If you have questions, please contact the Clerk: clerk@fifelaketwp.com

ROUNDAABOUT BEAUTIFICATION

The township board has budgeted some funds for adding (perennial) flowers to the roundabout. Since this is the gateway to our community, we feel it could look more appealing. If you are interested in helping with this project, please contact the Supervisor or Treasurer to indicate your interest and availability. We are planning for Spring of 2026.
